Alro Steel – St. Louis, Facility Expansion
September 20, 2019

Alro Steel is pleased to announce the expansion of the St. Louis facility at 3701 Rider Trail S., Earth City, MO 63045. The project added 54,180 square feet of space, bringing the total square footage to 162,450 square feet.

The expansion includes the addition of a new plasma cutting machine and a new bay. Additional racking was also added to allow for expanded inventories of plate, sheet, alloys, stainless, aluminum, and various red metals products. This will allow the St. Louis team to better service customers throughout their region. To learn more about Alro Steel St. Louis visit their location page: [Alro Steel St. Louis Location Page](#)

Alro Steel was founded in 1948 by brothers Al and Robert Glick. The company is a distributor of metals, industrial supplies, and engineering plastics. Alro is focused on offering cut-to-size metals and plastics with next day delivery to 25,000 customers in North America. Alro operates over 70 locations in 12 states and provides a broad inventory of products under the following companies: Alro Steel, Alro Metals, Alro Metals Outlet, Alro Industrial Supply, and Alro Plastics.
